What is eikto lithium battery?

EIKTO lithium battery improves the distribution business of the material handling equipment, including forklift, cleaning machine, aerial platform, golf cart, etc. Compared with traditional lead-acid batteries, lithium batteries have faster charging speed, longer service life, and provide more available energy for each discharge.

What makes eikto a good battery?

The EIKTO MS series uses a unique blend of lithium ions, making it the most compact, durable, and powerful battery on the market. EIKTO has been committed to improving energy efficiency and the environment for years. Our self-developed battery cell and the patented structure gave us a competitive advantage over other battery manufacturers.

Why should you choose eikto lithium batteries?

Lithium batteries offer the following safety benefits to provide customers with reliable energy solutions: EIKTO lithium batteries have built-in protection circuits to prevent unsafe conditions such as overcharge, over-discharge, and overheating. These protection mechanisms ensure the safe performance of the battery during everyday use and charging.

EKT is a lithium-ion battery specialist, we manufacture battery solutions for all models of forklifts, offering customization to suit your forklift, application and budget. Custom options we offer include battery pack integration, battery management systems, and more.

EIKTO lithium batteries are equipped with an intelligent battery management system that monitors the battery status in real-time, such as voltage, current, and temperature and takes action in abnormal situations, such as disconnecting the circuit or issuing an alarm to protect the battery and equipment.

EIKTO is a leading lithium battery innovator, we are specialized in Lithium-ion battery technology development and manufacturing, our integrated PACK is suitable for forklifts, marine, heavy trucks and battery energy storage system (BESS). We contribute to global low-carbon emissions, and to promote the development of the clean energy.

EIKTO was established in 2016. We are national high-tech enterprise focusing on Lithium iron phosphate Battery R&D, Cell& Module Manufacture, Pack assembly and battery sale. We are suppliers of famous Forklift brands such as Genman Linde, China Heli, Toyota, Mitsubishi, Hyster etc.
