Solar panels are becoming more and more common throughout the Fernandina Beach area, and if you're in need of a skilled company to help with your solar panel cleaning needs, Power Wash Pro, Inc. is the name you can trust. Call us today at 904-557-0466.

How much your electric company pays for your excess solar power depends on your electricity plan. Because you can't literally sell power back to the grid, you'll be selling it to your retail electricity provider. Some companies will pay you on net metering at a fixed rate per kilowatt hour for your excess power. But that's too risky for
