Another of the private islands in The Grenadines is Petit St Vincent which, at 115 acres in size, is 44 miles away from St Vincent. On the island is the Petit St Vincent Resort which initially opened in December 1968 and has just 22 spacious one-bedroom cottages and two beachfront villas.

Electrilabs entered the solar market as a PV Solar Power Energy Supplier back in 2012 when this technology was emerging strongly in Europe. Turn-key solar systems have been developed and exported as far as the Democratic Republic of the Congo (DRC) where a complete freezer-room solution was designed and shipped for a remote location which is completely off-grid.
