(ATLANTA) ??? The Georgia Emergency Management Agency & Homeland Security Agency (GEMA/HS) is pleased to announce the award of a \$19,493,349.00 Hazard Mitigation Grant Program project aimed at providing emergency backup power for critical facilities across the state.

"We are honored to receive EEI's Emergency Recovery Award recognizing Georgia Power's dedication to serving our customers. Hurricane Michael was so powerful that some of our communities, especially those in the hardest hit areas of Southwest Georgia, are still feeling its effects," said Paul Bowers, chairman, president and CEO of Georgia Power.
