

What is Engie Energy Access Uganda?

ENGIE Energy Access Uganda offers expandable solar home systems, providing lighting, phone charging, TV, radio and more, financed through affordable instalments via mobile money (Airtel or MTN). We enable those seeking clean, off-grid energy to access both power upgrades and other life-changing loans.

What is energy access Uganda?

L'nergie est notre avenir, économisons-la. ENGIE Energy Access Uganda offers expandable solar home systems, providing lighting, phone charging, TV, radio and more, financed through affordable instalments via mobile money (Airtel and MTN). We enable those seeking clean, off-grid energy to access both power upgrades and other life-changing loans.

How will energy be used in Uganda?

The energy generated is expected to be used internally through the expansion of electricity access in Uganda from estimated 20 percent in 2016 (about 900,000 subscribers) to 40 percent in 2020 (about 3 million subscribers). Any surplus energy is expected to be sold to neighboring countries including South Sudan and DR Congo.

How do I contact Engie energy access?

Dial 0 323 201 800 for MTN or 0 200 410 200 for Airtel. (This requires airtime or voice bundles.) You can find your nearest shop and service center below. Join the ENGIE Energy Access family!
