ENERGY STORAGE EUROPE

Düsseldorf

The international trade fair for energy storage in Düsseldorf had to be called off on account of the continued high infection rates all over Europe. Add to this the decision adopted by the federal and state governments on 25 November 2020, according to which holding trade fairs continues to be prohibited.

Düsseldorf, 15.03.18. According to the current estimate of the German Energy Storage Association (Bundesverband Energiespeicher e. V. - BVES), the energy storage industry will grow by around 11 per cent in 2018 and will generate a turnover of approximately EUR 5.1 billion. Medium-sized companies are the main driving force behind this increase. The development of ???
