# ENERGY STORAGE MESSE D&SSELDORF 2020

Last year, Solar Solutions D&sseldorf brought together more than 8,000 experts from the field of sustainable energy in North Rhine-Westphalia and the surrounding regions to exchange knowledge and explore business opportunities. This year, not only will the exhibition space be double the size in comparison to last year, but also the number of trade visitors.

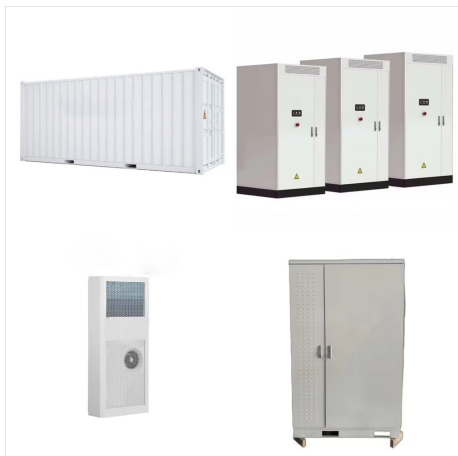

The Energy Storage Europe exhibition will appear under the new name Expo for Decarbonised Industries to reflect the global shift toward a sustainable and regenerative climate-friendly future. Energy Storage Europe 2020 (Cancelled) 10 Mar - 12 Mar Energy Storage Europe Messe D&sseldorf GmbH: Also called: Energy Storage Europe: Founded

The focus topics of decarbXpo are in the areas of decarbonization, energy storage and hydrogen. Messe D&sseldorf expands ENERGY STORAGE EUROPE into an Expo for Decarbonised Industries. The new format will be held at the D&sseldorf trade fair centre in parallel with the world-leading trade fair glasstec.

# ENERGY STORAGE MESSE Düsseldorf 2020

This puts Messe Düsseldorf on a good footing to face the current Corona crisis: equity capital was up by 8.9% to EUR 518.6 million (Messe Düsseldorf Group) and EUR 448 million (Messe Düsseldorf GmbH). Outlining the current economic situation at his company, Werner M. Dornscheidt, President & CEO of Messe Düsseldorf GmbH, says:

The Energy Storage System Association e.V. (BVES) and Messe Düsseldorf extend their cooperation in the field of decarbonisation in industry and commerce. It was only 15.2 percent in 2020. At

# ENERGY STORAGE MESSE D&SSELDORF 2020

Despite the effects of the Covid-19 pandemic, Messe D&sseldorf closes the business year 2020 with a still strong equity ratio of just under 55%. Thanks to sustainable management over the past years, the company has created financial leeway which is having a positive effect for managing the situation. Furthermore, the company counters the current pandemic with a powerful ???

The international trade fair for energy storage in D&sseldorf had to be called off on account of the continued high infection rates all over Europe. Add to this the decision adopted by the federal and state governments on 25 November 2020, according to which holding trade fairs continues to be prohibited.
