Welcome to Epoch! The Epoch platform makes event discovery, scheduling, and communications simple and streamlined. You'll find all your company events and initiatives in one place, while integrating with your everyday tools like calendar and Slack.

Share strategies and network with industry leaders. Epoch's invite-only community is a place for individuals in the engagement and culture space to come together and lean on one another for support, share ideas, and build connections. Learn more.

Make it accessible for everyone to participate in company culture and employee experience. Streamline workflows for creating, scheduling, and promoting events all in one place. Capture employee engagement metrics and segment data based on teams and regions.

Set up events and programs in a few easy steps. Create town halls, all hands, holiday gatherings, global onboarding, and more with our simple web app. Streamline communications to increase registrations. Promote your events and send automated announcements through Slack, calendar, email, and newsletters using Epoch.

Book a demo. Watch video. Set up events and programs in a few easy steps. Create internal events, learning programs, DEI and ERG initiatives, and more with our simple web app. Streamline communications to increase registrations.
