About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since

Estonia doesn't have to struggle to find a point of difference; it's completely unique. It shares a similar geography and history with Latvia and Lithuania, but culturally it's distinct. Its closest ethnic and linguistic buddy is Finland, though 50 years of Soviet rule in Estonia have separated the two.

Founded in 2007 as Greenlight Planet, the company recently rebranded as Sun King, the name under which its products have long been sold. Sun King is helping to lead a transformation in how electricity is provided across Africa and Asia, where 1.8 billion people still lack access to a reliable electrical grid.

Kenya-based off-grid solar products provider Sun King, previously called Greenlight Planet, announced it has closed on a first-of-its-kind USD-130-million (EUR 121.6m) bank-led securitisation of existing and future customer payments for its solar products.
