Eta-com's headquarters and manufacturing facility is located in Boom, Belgium. The group also has branches in The Netherlands, the United Kingdom and the Middle East, complemented by an extensive network of agents and distributors in Europe, Asia, America, the Middle- and Far East.

After a general election held generally every four years, or if a cabinet resigns during a parliamentary term, the process of cabinet formation starts. Because of the multi-party system of the Netherlands, no single party has had a majority in parliament since 1900, and formation of a coalition of two or often three parties is always necessary. This is a time-consuming process.
