

Who is ethos Energy Group Limited?

The Group has signed deals for the sale of its stake in Ethos Energy Group Limited ('EthosEnergy'), a joint venture focused on rotating equipment, and CEC Controls Company Inc ('CEC Controls'), an industrial and process control systems business, in the automotive market.

Who is EthosEnergy?

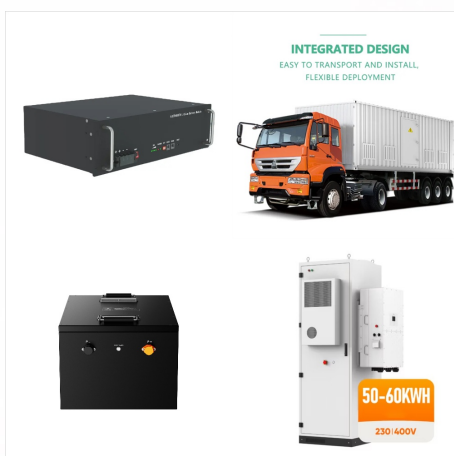

Ten-year-old EthosEnergy, based in Aberdeen, Scotland, and Houston, is a services provider with a worldwide footprint specializing in rotating equipment for the power, oil and gas, and industrial sectors. The firm focuses on gas and steam turbines, generators, compressors, transformers, field services, operations and maintenance.

What makes EthosEnergy a good company?

Every organization has a responsibility to make a positive difference in the world. That's why EthosEnergy is committed to making energy sustainable, affordable and available for everyone, everywhere. What guides us on our journey to achieving this, is the unwavering commitment to excellence and leadership of each and every one of our people.

Are EthosEnergy job offers a scam?

Fraudulent job offers can and have been made by individuals, organizations, internet sites or social media accounts that claim they represent EthosEnergy. In some cases, job seekers are asked to pay a processing or work permit fee or provide personal details in order to begin their job. Are you looking for your next role?
