Anhui Levineng Power Battery contact info: Phone number: +86 5506868828 Website: What does Anhui Levineng Power Battery do? Founded in 2018, EVPS is a company that specializes in the manufacturing of lithium-ion batteries.

Established in July 2018, EVPS Anhui Power Battery Co., Ltd is located in Anhui, China, covering an area of 240,000 square meters. The company has a registered capital of RMB 1.3 billion and a planned investment of RMB 5 billion to build a lithium-ion battery project with an annual capacity of 10GWh, which has been built into an annual capacity

We focus on the research and manufacturing of lithium ion power battery and system. The core product is cylinder 26700 cell, widely used in light vehicles, portable energy storage, base station energy storage and other fields.

Electric car charging pile to create a cleaner environment, lower cost of transport. PV energy storage technology according to the needs of energy deployment and management of power resources for the electricity and weak areas to bring light, to achieve green production and sustainable development model.
