

Who is Faradion Limited?

If so, then please Faradion Limited is a company registered in England & Wales. Registration No. 07338748
Welcome to Faradion, the world leader in non-aqueous sodium-ion cell technology that provides cheaper, cleaner energy.

What is Faradion's new battery technology?

Faradion is pioneering the next generation of advanced, low-cost battery materials. These novel materials employ sodium-ion (Na-ion) technology which, when incorporated into batteries, will be virtually indistinguishable from the leading products currently on the market in terms of performance; they will however be available at a fraction of the

Where is Faradion based?

Faradion is based in Sheffield, specifically at their headquarters on Portobello Street. They are looking to hire 200 staff over the coming months to create a worldwide Centre of Excellence in sodium-ion batteries in Sheffield, starting with training and demo facilities in Sheffield and Oxford, and later manufacturing.

When was Faradion acquired?

Faradion was acquired on 05-Jan-2022. Who acquired Faradion? Faradion was acquired by Reliance Industries. Discover how our experts ensure you're getting the most accurate financial data in the industry. Our data operations team has logged over 3.5 million hours researching, organizing, and integrating the information you need most.

What is the current valuation of Faradion?

The current valuation of Faradion is 00000. What is Faradion's current revenue? The current revenue for Faradion is 00000. How much funding has Faradion raised over time? Faradion has raised \$9.7M. Who are Faradion's investors?

Is Faradion part of India's Net Zero Mission?

We look forward to being part of India's Net Zero mission. "Dr. Chris Wright, Chairman and Co-Founder Faradion, said, "Dr. Jerry Barker, Ashwin Kumaraswamy and I founded Faradion in 2010 to develop sodium-ion technology and bring it to market, with funds from Mercia Asset Management.

Faradion is a global sodium-ion battery technology company Reliance will acquire 100% shareholding in Faradion for an enterprise value of GBP100 million, and further invest GBP25 million as growth capital to accelerate commercial roll out Reliance New Energy Solar ("RNE SL"), a wholly owned subsidiary of Reliance Industries ("Reliance"), has signed definitive agreements to a?|

Reliance initially announced its interest in UK-based Faradion in December 2021, with the acquisition valued at GBP100 million, with RNE SL investing GBP25 million as growth capital in the company. (RNE SL), a wholly-owned subsidiary of Reliance Industries, has acquired the remaining equity stake of nearly 8% in Faradion Limited, a leading
