

How are the Faroes connected?

The Faroes have a highly developed road network connecting almost all settlements by tunnels through the mountains and between the islands, bridges and causeways that link together the four largest islands and three islands to the northeast. Suðuroy is the only major island not connected by a fixed link.

Where are the Faroe Islands located?

The Faroe or Faeroe Islands (/ˈfɔːroʊ /FAIR-oh), or simply the Faroes (Faroese: Føroyar, pronounced [ˈføɹja?](i); Danish: Færøerne [ˈføʁə?n]), are an archipelago in the North Atlantic Ocean and an autonomous territory of the Kingdom of Denmark.

What are the best attractions in the Faroe Islands?

An awe-inspiring attraction off the coast of Vágur Island. Drangarnir sea arch is the perfect attraction for those yearning for an extraordinary experience at sea. This is one of the top attractions in the Faroe Islands and among the most iconic landmarks in the archipelago. The best way to enjoy the famous sea-stack is by boat.

What should you know about driving in the Faroe Islands?

There are a number of things to know about driving in the Faroe Islands and it's a good idea to acquaint yourself with them before you go. Headlights need to be on at all times; drive slowly and be prepared to pull over to the side of the road if there is a faster car behind you.

Why did Faroese independence?

The islands were occupied by the British during the Second World War, who refrained from governing Faroese internal affairs: inspired by this period of relative self-government and the declaration of Iceland as a republic in 1944, the islands held a referendum in 1946 that resulted in a narrow majority for independence.

Are the Faroe Islands safe?

The Faroe Islands are very safe, but accidents can happen. If you have any kind of accident during your trip, call the emergency number, 112. First aid is offered at hospitals in Tórshavn and two other locations in the country. There are also GP services and dentists on the islands.

The Faroe Islands famously has more sheep than people. But in 2023, approximately 130,000 foreign tourists visited the remote Nordic archipelago of 18 volcanic islands located halfway between Iceland and ???

The Faroe Islands comprise over 750 islands, islets, and skerries, yet it is the 18 main islands that truly encapsulate the spirit of the nation. Of these, only one remains uninhabited. Streymoy, not only the largest island, is also the most populated and hosts the capital, T?rshavn.

The flight from mainland Europe is two hours. There are daily flights from Copenhagen Airport (CPH). There are also direct flights to the Faroe Islands from a handful of other cities in Europe. The easiest way to get to the Faroe Islands from America is by a stopover in Keflav?k Airport (KEF), Iceland. The Faroe Islands might still be very

On my first Faroe Islands trip, this was a place I returned to over and over again, to wander across the hillsides, to watch the ethereal bay fill with water and to wait for the entire valley to be bathed in soft golden light. It's also possible to walk around the bay to the beach beyond at low tide, just be sure to keep an eye on the tides.

The Faroe Islands will welcome more UK visitors than ever before this year as a new London to V?gar route opens. The destination has seen an increase in interest thanks in part to TikTok videos

The Faroe Islands are an autonomous territory of the Kingdom of Denmark and home to just over 53,000 inhabitants, but you'll definitely meet more sheep than people when you visit the Faroe Islands, which makes sense since the country itself has actually been named after sheep (old Norse Faereyjar, which literally means Sheep Islands) and

Make sure to visit these untouched attractions in the Faroe Islands. With tips on health, safety and etiquette, packing info and emergency numbers, here are the essential things to know before a trip to the Faroe Islands.

The 18 jagged volcanic islands which make up the Faroe Islands resemble a handful of rocks scattered haphazardly in the deep-sea ocean. Home to mountains of myth, hobbit-like turf-roofed houses, and grazing shaggy sheep, these islands make up the perfect playground for the senses. They inexplicably unearth a soothing sound of stillness and a
