Spanish PV developer Solaria Energia y Medio Ambiente has inked a collaboration agreement with Saudi Arabian business conglomerate AB Group in order to establish a joint venture in Saudi Arabia.

Felicity Solar leads in renewable energy with advanced solar panels, solar street lights, and car charger adapters. Our products, including durable solar cell batteries, are tailored for modern, green living.

Spread out over 20 acres, Felicity has been designed as a city within the bustling metropolis that Bengaluru has become. Playing host to everything your family desires, we want you to experience life within a well-planned project, that balances the aspirations of a modern city dweller with the laid back charm of the days of yore that the Garden City was known for.
