

What is fenecon industrial L?

FENECON Industrial L is the future-proof battery storage platform for industrial applications as the basis for grid-serving energy management. The power storage system offers high reliability thanks to decentralized power electronics. *Project-specific customization with standardized FEMS apps.

Where is FENECON located?

FENECON is located in Deggendorf, Bayern, Germany. They develop open-source battery storage systems and give car batteries a longer life. FENECON is located in Deggendorf, Bayern, Germany.
