

Who is fincoenergies?

We are an independent, leading provider of sustainable energy solutions. Our mission is to propel our customers' transition towards a better world. At FincoEnergies we focus on providing low-carbon fuels, other energy and decarbonisation solutions.

What makes fincoenergies a sustainable company?

Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape. Our DNA is woven with a dedication to sustainability, reflected in our evolving strategies aligned with the UN Sustainability Goals (SDGs). These goals are the compass guiding our actions.

What is fincoenergies Americas?

The launch of FincoEnergies Americas is the latest step in the company's global expansion, demonstrating its continued commitment to develop and deliver sustainable solutions that drive decarbonization in the heavy transport sector. It is FincoEnergies' second base outside of Europe, after the launch of a Singapore office in early 2022.

Is fincoenergies a sustainable biofuel brand?

FincoEnergies' experience in the sustainable biofuel market is unparalleled. Since 2015, its GoodFuels brand has delivered advanced fuels that "drop in" to conventional tanks and reduce carbon emissions by up to 90% without requiring any alterations to the fuel infrastructure or marine engines.

Who owns fincoenergies?

FincoEnergies was founded by Coloured Finches, an energy investment company that holds the majority of the shares. Together with the investment company Pontex Investment Partners and the management investment program, they form a very committed group of shareholders.

What's new at fincoenergies?

We have extended our presence to Singapore, completed initial deliveries in the United States, and embarked on new ventures, including bio-methanol and biomass, to broaden and diversify our range of services. Founded in 2013, FincoEnergies embodies a commitment to driving change in the energy landscape.
