Traditional architecture perfectly fits into the picture with its open- space

French Polynesia only has two seasons: summer and winter. But remember, these islands are in the Southern Hemisphere, so their seasons are flip-flopped from the USA's. May through October is French Polynesia's winter, and is largely considered the best time to visit. The weather is pleasant and sunny, without feeling cold.

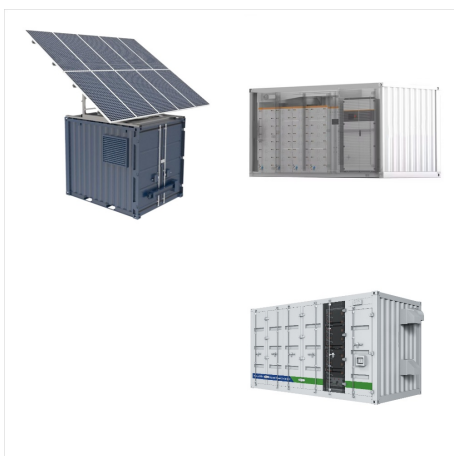

To wrap up an extravagant "pre-honeymoon" trip to French Polynesia, we decided to finish things off at one of the best and most exclusive resorts in the world.. Located deep in the South Pacific, The Brando ranks among the best of the best in the world-class luxury hotel scene of French Polynesia. The Brando is nestled within Tetiaroa, an atoll of a dozen idyllic islands.
