# FUTURE SOLAR COMPANY PROFILE

Ornate Solar was established in 2014 with the aim to be a catalyst in India's solar journey with the belief to empower our customers by making solar affordable, reliable and easy. It is united in the belief that with every solar panel and inverter that it sells, India moves a little closer to a sustainable future.

India's solar energy sector is heating up in an effort to meet the company's ambitious goal of deriving 50 percent of its energy from renewable sources by 2030.. Fueled by \$3.2 billion in government incentives, the country is now on track to be the world's second-largest solar manufacturer by 2026. And while there is still an uphill climb to reach its goal of 280 ???
