Since they don't rely on grid power, they also reduce your utility costs. Solar generators are clean, efficient, and versatile, which helps explain their growing popularity. Solar generators are also a practical way for you to reduce your carbon footprint, as they use 100% renewable green energy that produces no CO2 emissions.

Parallel cables, included with the GB100 Solar Panel, allow you to connect up to 4 panels together for even more charging power. This Generac Portable Solar Generator allows you to power a wide range of electronics for indoor emergency use during power outages, or while enjoying tailgating and camping in the outdoors.
