Generators. The GP3600 Portable Generator provides emergency power in the case of an outage or just power the fun stuff with a GP Series portable generator. Portable power, ready anywhere with the Generac GB1000 Portable Power Station! This rechargeable power bank provides clean, quiet, and emission-free electricity.

Generac Holdings Inc., commonly referred to as Generac (derived from a combination of generating and AC), is a Fortune 1000 American manufacturer of backup power generation products for residential, light commercial and industrial markets. [6]

A Generac standby generator protects your home and gives you peace of mind. When the power fails, you'll be ready. With automatic operation and 24/7/365 support from our Wisconsin headquarters, a Generac backup generator gives you added protection in an increasingly uncertain world.

Generac's portable power products let you take your power with you, wherever you want to go. From the smallest power inverters to 17,500 watt portable generators - among the largest available - Generac has the portable generator for your recreational needs.

From standby generators for homes and power for businesses and data system hubs, to small, portable systems for work sites and travel, Generac offers something for all. AP Electric & Generators is proud to sell Generac products to meet your needs, and we've been doing so for the last 20 years.
