

Who is Oman solar systems?

Systems has been delivered to Telecom, Oil & Gas, Ministry and Defense for different applications. You are guaranteed to get the energy system that's been chosen and installed by the real experts. Part of Al Bahja Group, established in 1947. Mainly in manufacturing and allied activities. OMAN SOLAR SYSTEMS CO. LLC  
OMAN SOLAR SYSTEMS CO. LLC

Can solar energy generate electricity in Oman?

Solar energy can potentially generate electricity to meet all of Oman's domestic electricity requirements and provide some electricity for export.

Why should you choose Oman solar?

At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year.

Who is OSS solar?

OSS is one of the oldest company in entire GCC region, over the three decades, we have installed many successful solar power systems at critical, remote, and inaccessible locations and delivered power and energy to homes and business houses across the Oman, UAE, MENA and SEA region.

How can we help the community in Oman?

We drive government and community transformation towards solar and renewable energy by providing solutions tailored to Omani nature. We know what it takes to build innovative projects to empower the community and stimulate the local economy of the Sultanate. Are electricity bills high?

# GENERADOR DE PANEL SOLAR OMAN

We provide integrated solutions in the engineering, design, supply, manufacture and design of solar photovoltaic systems for commercial entities with strong experience in the Omani market formed by working with international and local companies

We provide solar power systems design, solar equipment supply, and installation of solar solutions for residential, commercial and industrial projects. With that expertise, experience and skills, we are your top choice for your solar solution needs.
