Australia-based Genex Power has signed an
agreement to supply 337.5MW of solar power to
iron ore company Fortescue for 25 years.. The
energy company will supply solar power from its
2GW Bulli Creek Solar and Battery Project (BCP) to
Fortescue's subsidiary, Fortescue Metals Group, the
first stage of its long-term power purchase
agreement (PPA).

Gennex 3kva 48v solar inverter is compatible with
mains voltage, solar and generator abd its available
for nationwide delivery to your doorstep. Gennex
Inverters models, are built in an anti-dust kit for
harsh environments and also feature a battery
equalization function to optimize battery
performance and extend life cycle.

GENEX SOLAR GENERATOR VENEZUELA

Genex Power Ltd and Fortescue Metals Group Ltd have partnered to provide Australia with its largest grid-connected solar park. With 25-year Power Purchase Agreement, 337.5 MW of the 450-775 MW capacity will be used to power Fortescue's planned green hydrogen and green ammonia facility. Bulli Creek solar project investment decision expected ???

Genex's 50MW Kidston Solar Project (above) is one of the projects set to be impacted by the new financing. ASX-listed Genex in April agreed to a 100% takeover by Japanese power generator J

A solar generator usually includes solar panels and a backup battery power station. The solar panels collect the sun's rays and convert it into energy, which is then stored in the backup battery power station. The backup battery power station supplies electricity to other devices and appliances via the standard AC output (110V) and various DC
