The Rack comes fully assembled and ready to roll (with casters, of course, making it a mobile-ready rack). The casters are removable for easy stacking of the enclosure cabinets. Castors and hardware come inside the rack and then ???

Since the very beginning, one of the rack batteries has appeared to provide the entire EPS standby load being pulled by the inverter. Over the course of a day, battery ID 4 will show intermittent discharge of 0.54A and the SOC % will slowly drop. All other batteries will continue showing 100% status. Batt #4 is installed in slot 4 of the rack.

Racks, Solar Batteries & Electrical Distribution for Atlanta Solar Kits Total Cost. Web Solar Store. AC power that will reduce your home electrical costs. Types of inverters and grounding rods or methods are also a consideration. Blue Pacific Solar??? can help you decide which home solar kit is best for your house.
