The PowerSafe??? SBS-30 battery utilizes unique and proven technology to provide superior performance with an extended service life in compact and energy dense configurations. PowerSafe SBS batteries are manufactured to the highest international standards and are ideal for reliable use in all wireless and fixed-line communication applications. PowerSafe SBS ???

Hawker EnerSys PowerSafe SBS 40 12V - 38Ah (10h) are manufactured using the unique pure lead technology and offer performance unmatched by other batteries with highest energy density and compact design. PowerSafe SBS batteries are manufactured to the highest international standards and have proven their reliability in mobile and fixed line

increasing energy density ??? Separators are Absorbent Glass Mat (AGM) made from high purity, superior quality fibers. The electrolyte is absorbed within

PowerSafe(R) SBS-Batterien werden häufig in den Bereichen Kabelfernsehen, Sicherheitslichter, Stromerzeugung und Offshore-Anwendungen eingesetzt und bieten bewährte Leistung und Sicherheit. Angebot anfordern. Leistungsbereich: 31 bis 205 Ah (Front-Terminal), 7 bis 361 Ah (Top-Terminal), 32 bis 900 Ah (2 V-Zellen)

The EnerSys PowerSafe SBS 40 battery range utilizes unique and proven technology to provide a superior range of valve-regulated batteries with an extended service life in compact and energy dense configurations. PowerSafe SBS batteries are manufactured to the highest international standards and are ideal for reliable use in all wireless and

Die Energys PowerSafe SBS-Baureihe sind wartungsfrei verschlossene Bleibatterien in der einzigartigen Reinbleitechnologie und bietet so höchste Leistung bei grosser Energiedichte und kompaktem Design.

It's compact size and high energy density make the PowerSafe SBS 40 a popular 12 volt power supply in competition vehicles. PowerSafe SBS 40 has a low ventilation requirement and wide operating temperature range. The case is impact resistant and flame retardant to UL94 V-O. The leak resistant dual terminal design allows the PowerSafe SBS 40 to
