

Chint Solar has officially commissioned the 80 hectare, 48.5 MWp solar park in Portugal for the Danish Independent Power producer Nordic Solar. The solar park provides renewable energy to approximately 26,000 households. The solar park is located near Pias, Municipality of Serpa, in the Alentejo region.

"We are excited about this new collaboration with the GoodWe brand, which will allow us to expand our product range. We are convinced that GoodWe's inverters and storage systems meet the needs of the PV market in Germany, Austria and the Nordic countries," said Alexander Schütt, managing director of BayWa r.e. Solar Energy Systems GmbH.
