Customer Reviews Specifications Description Store More to love . Customer Reviews (0) Specifications. Nominal Capacity. 50AH. Weight. 260\*168\*215mm. Voltage. 24V. Size. 11kg. Model Number.

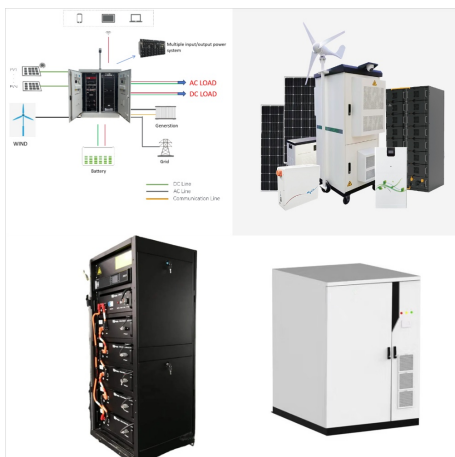

I want the battery to push 120amps since my microwave is about 1400 watts. I really only need ac for about 20-30 minutes total. Sokerdy claims to have a 150bms. I think they may be the only battery provider that does that. Also Sokerdy only has a short list of reviews, I have to wonder how many were posted by encouragement from the seller.
