

Who is dawnice battery factory?

WHO WE ARE? Dawnice Battery Factory was founded in 2002 in Jiangxi, China. ENTEN and DAWNICE are the same company. It is a leading manufacturer of home energy storage batteries, commercial energy storage systems, and battery energy storage systems with integrated solar inverters.

How many patents does dawnice have?

They have obtained over 100 technical patents, including core, invention, and innovation awards. Dawnice's core products are residential storage batteries and commercial solar storage solutions. They have provided energy solutions to 70 countries, serving around 80,000 households.

What makes dawnice a good battery company?

Dawnice's core products are residential storage batteries and commercial solar storage solutions. They have provided energy solutions to 70 countries, serving around 80,000 households. The lithium battery factory holds recognized certificates such as CE, UL, UN38.3, RoHS, IEC62619, ISO14001, and ISO9001. WHY CHOOSE US ?

Product Display ?????? Focusing on the renewable energy industry for 12 years, providing one-stop energy solutions, the product line includes lithium batteries, energy storage power and photovoltaic system kits
