Africa GreenTec. As a social enterprise, we offer
 sustainable energy solutions to empower people to
 achieve more self-determination and growth. With
 the Solartainer we focus on solar energy, a
 sustainable and at the same time the most logical
 energy source in Africa. We have developed two
 different containerized systems.

Why GreenTech?. GreenTech Solar is the only solar company in the Cayman Islands who has their own factory trained and certified in-house design and installation team, thus always ensuring quality control of our work. NOTE: All our local competitors subcontract out their design and installation work. GreenTech Solar is the only Caribbean based renewable energy firm to have ???

HILTON FIELDS SOLAR FARM greentech's proposal to develop a solar farm on 43 hectares (106 acres) of farmland. The solar farm will make a significant contribution to the carbon reduction goals set out by Government to end the use of fossil fuels to generate electricity by 2035. Whilst 42% of all electricity generated in England and Wales in 2020
