The Nova Zoning Group is a service that provides quick and reliable property zoning analysis developed by Nova Group. This analysis outlines zoning conformance and gives Nova clients greater comfort with the overall property compliance with the local zoning laws.

What service does Nova offer a HOA board?

The service our HOA board receives from NOVA is outstanding! From board meeting discussions to bid requests to communication with residents, we throw a lot at our regional manager and she handles our requests quickly and with excellent advice. For example, in January 2019, we faced an inevitable increase in management fees.
