

Who is gsparx Sdn Bhd?

GSPARX Sdn. Bhd. |1,813 followers on LinkedIn. YOUR TRUSTED SOLAR EXPERT |GSPARX Sdn Bhd is a wholly own subsidiary of Tenaga Nasional Berhad(TNB) which is the main electrical utility company in Malaysia. We are established in 2018 to proliferate the adoption of the rooftop solar solution to all electricity users in Peninsular Malaysia.

Who is gsparx?

GSPARX takes care of your solar solutions from consultation, design, installation, maintenance as well as monitoring. With TNB powering Malaysia for over 70 years, GSPARX not only has the expertise and experience in solar solutions, but we can also cater to all your energy needs. We Are All Out About Green! Solar is only the beginning.

Does gsparx cover solar?

GSPARX will also cover the maintenance and repair throughout the contract period. Customer only pays for solar energy payment at a lower tariff, hence resulting in savings in the electricity bill. Alternatively, we also provide an outright purchase option. Is there any special government incentives for businesses to install solar? Yes.

How does gsparx work?

GSPARX will charge customer based on a fixed and lower solar tariff compared to TNB tariff to the customer. The concept is the customer is buying the energy generated from solar instead of buying the energy from TNB. What happened after my solar power purchase agreement matured?

Who owns gsparx?

GSPARX is 100% owned by TNB; we are a strong and sustainable company to support you for a long time. Especially for commercial, industrial & government segments, GSPARX offers you solutions at zero upfront cost so you can enjoy bill-saving hassle-free!

Does gsparx follow TNB's sustainability agenda?

GSPARX's establishment aligns with TNB's sustainability agenda, Sustainability Pathway 2050, which outlines

the national utility company's role to drive the energy transition for Malaysia while aspiring towards future-proofing its business. In addition,...
