Unleash Endless Possibilities with AC500 plus B300S: a high-watt solar-powered generator combo that's hard to find with most portable power station brands. The AC500 is designed to be 100% modular, relying on the external B300S battery to store energy and provide maximum flexibility to customize its capacity up to an enormous 18,432Wh.

The phrases "battery generator" and "solar generator" are pure marketing -- effective marketing, but still out of touch with reality. I just need enough power to keep my fridge and freezer running as I have a lot of frozen meat stored. I would start by making sure your freezer is full -- if there is empty space, fill it with bottles of water.
