This product is a quality solar panel kit all around. But this may not cut it if you want a portable solar panel kit. The 12 solar panels come with strips of portability. Pros. Remarkable output power. High battery capacity. ???

Planning to go solar with a 8-9KW grid tied system. Got quotes from a few companies in my area, one of which was Solar Wholesale, which is a DIY kit. The price difference was pretty small, less than \$1500 for the same size system between Solar Wholesale and a local company which does the install and everything, so it doesn't make sense to DIY.
