

GWL is one of the largest lithium phosphate batteries (LFP) distributors in Europe. It is a Czech company, with Czech capital, representing all three most technologically advanced LFP battery manufacturers in the World (Winston Thundersky, CALB and Sinopoly).

This battery storage system will be connected to Dominica's national grid, and is anticipated to encourage the use of renewable energy in the Caribbean nation by harnessing the resources from existing hydropower???and even future geothermal sources.

GWL Group - Complete energy solutions. Since 2008, we have become Europe's largest distributor of LFP cells. In 2021, we also created our own ELERIX battery cell brand and a division dedicated to the development and implementation of complete domestic and industrial energy storage systems under the AMVOLT brand.
