

Extend the life of your market umbrella and keep it looking like new season after season with the Outdoor Umbrella Cover by Pure Garden. This durable cover is constructed from 600D polyester canvas with waterproof backing and offers 50+ UV protection from the sun, so your patio umbrella is protected, rain or shine.

The Xantrex Solar Max 115W, 115W Slim, 220W, 330W flex panels, feature solar panels with a mesh grid-technology that provides superior durability and performance benefits. With approximately 2000 points of contact per cell, this mesh grid-technology allows the panel to flex up to 180 degrees, without impacting power output.
