

Who is Jetion Solar?

Jetion Solar (Europe) Ltd is its european branch, in charge of sales and distribution in Europe, which also operates a 15MW-capacity warehouse located in Germany and Holland, that proves to be a valuable plus in terms of just-in-time deliveries, smaller orders' consignments and flexible after-sale service.

Where are Jetion Solar cells manufactured?

In response to the world-wide growth in solar power Jetion has imported industry leading manufacturing equipment from Germany, Italy and the United States and currently boasts four state-of-the-art solar cell production lines.

Is Jetion ready for expansion?

Jetion is well placed for future expansion with over 1million square feet of land (including manufacturing, office and warehouse space).
