

The Rarotonga Electricity Authority in the Cook Islands recently increased the generating capacity of its Avatiu Valley diesel power station by 2.6MW with the installation of a new 9L27/38 generating set supplied on a turnkey basis by MAN Engery ???

To some, they are New Zealand's Majorca. To others, a totemic link with the Polynesian voyagers who settled Aotearoa a millennium ago. Fifteen tiny islands and atolls sprinkled over close to a million square miles of ocean, the Cooks are a diverse group of communities, each with its own distinct flavour. The old man, as bony as his bike, navigates [???
