

Who is Schutten solar energy?

Schutten Solar Energy Co.,Ltd. is a national high-tech enterprise owned the world-leading PV module production Line.Schutten focuses on the production and sales of PV modules. And also provide the design,installation,and after-sales services of the PV power stations and PV power systems.

Who is Anhui Schutten solar energy?

Anhui Schutten Solar Energy Co.,Ltd.,founded in 2013,is a national high-tech enterpriseintegrating advanced technology and innovative capabilities. We specialize in the R&D,production,and sales of photovoltaic products,providing solutions and services for photovoltaic power stations and systems.

Where are Schutten PV modules made?

Currently,Schutten has two PV module production bases located in Chinaand Thailand,with world-class production and testing equipment which are used to produce double-glass,multi bus bars,half-cell and other high-efficiency PV modules.

How many countries does Schutten sell in?

Through strict quality control system,perfect production,quick after-sales service,Schutten has built sales channel in 177 countries,including India,Germany,France,Serbia,Hungary,Bangladesh,Switzerland,Italy,Australia,Spain,Poland,Thailand,South Africa,etc.

Why is Schutten a good company?

Not only has R&D center for new products, Schutten also has reached strategic cooperation with China Electronics Research Institute (CETC 40) and many other universities.

Schutten Solar Energy Co., Ltd. is a national high-tech enterprise owned the world-leading PV module production Line.Schutten focuses on the production and sales of PV modules. And also provide the design, installation, and after-sales services of ???

Anhui Schutten Solar Energy Co., Ltd. Global Market As a global smart new energy solution provider, we focus on the R& D, manufacturing and maintenance of photovoltaic modules, as well as the design and installation of photovoltaic power plants. India. Office Italy. Office Spain. Office Mexico. Headquarters Chuzhou Telephone:150 5614 6221

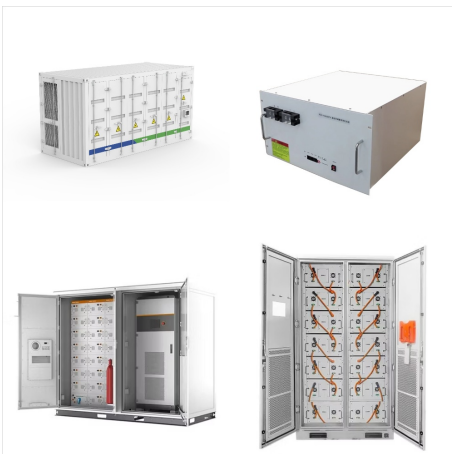

Choosing Schutten Solar means choosing a blue sky and green lifestyle Anhui Schutten Solar Energy Co., Ltd., founded in 2013, is a national high-tech enterprise integrating advanced ???

Chinese firm Anhui Schutten Solar Energy Co Ltd has received orders for 33.5 MW of its modules to power a photovoltaic (PV) array in Laos and an Indian solar farm. The PV products manufacturer today said that its 300-W Poly modules have been used for a 2-MW solar array, located in the city of Vientiane in Laos.
