

Where is Infinity Solar located?

Auburn, WA 98001. © 2023 Infinity Solar USA. All Rights Reserved. Infinity Solar USA is a privately-owned solar construction company that sells and installs photovoltaic systems for residential and commercial use in Washington, Oregon, Arizona, New Mexico, and Texas.

Is Infinity Solar a good company?

Infinity Solar specializes in residential and commercial solar panel installation plus energy storage solutions. It offers LG, Panasonic, Q Cells and Mission Solar equipment. The company is headquartered in Plano, Texas. How do I know I can trust these reviews about Infinity Solar? Very horrible customer service, they can't resolve any problem.

Who is Infinity Solar USA?

Infinity Solar USA is on the lookout for bold, driven individuals to join our elite team of Solar Sales Representatives. As pioneers in the solar industry, we're committed to revolutionizing energy consumption and championing a greener, more sustainable future.

What makes Infinity Solar USA different from other solar companies?

Unlike most of our competitors, we do everything in house. Most solar companies complete their work through third party contractors, who work for their own company. This creates a line of communication that can be lacking compared to the work done from a company that is completely internal. At Infinity Solar USA, everyone knows everyone.

Who makes Infinity Solar panels?

Infinity gets its solar products from popular manufacturers in the industry, such as Enphase, SolarEdge, and Tesla. Infinity Energy includes a 25-year manufacturer warranty for all solar panels covering manufacturing defects. Customers can also get a 10-year labor warranty. Solar batteries come with a 10- to 15-year warranty, depending on the type.

What's it like working at Infinity Solar?

The solar installers were great. The electrician was great. Everything went well. Just expect a little delay at the start as things get planned out. It is normal for any construction project. The install is great, looks good, works well and everyone at Infinity has been really helpful and very knowledgeable at what they do.

Infinity Energy can provide a financing loan option to you with our dedicated solar capital funding group if interested. Power Purchase Agreements (PPA) at no cost to you are also available, as our PPA provider partner will pay for the installation, maintain and own the system and you as the host will purchase the electricity at a fixed rate that will be lower than the utility company's price.
