

What is a black heart Ipomoea?

A small-pot solution for northern regions. Offers an excellent mounded habit with a very clean, true heart-shaped leaf. The deep black coloration stays true all Summer long, and in Spring conditions, early growth is deep purple. 'Balsolabart' SolarPower(TM) Black Heart Ipomoea - Brightly colored leaves are great for mixed containers and garden beds.

What is Ipomoea 'solar tower Black'?

Ipomoea 'Solar Tower Black' brings a dramatic and elegant touch to summer containers with its heart-shaped, almost black ornamental foliage and vigorous, eager habit.

Is Solarpower a good plant?

Series features heart and cut-shaped leaf varieties! Densely branched SolarPower holds its shape and color in the landscape and mixed combos all Summer long, and it works well with companion plants. Medium vigor and a well-branched habit. Most efficient in production. SolarPower's tidy habit allows for more plants per rack at retail.

IPOMOEA SOLAR POWER BLACK HEART

Ipomoeas are great additions to combination planters, but they can sometimes overwhelm less vigorous plants. If you are like me you can let your combination plants duke it out Darwinian style, however, if you prefer to keep a more balanced look to your combination planters, you can cut back or remove stems at any time.

Ipomoea SolarPower??? Black Heart, a dark-leaved variety of Sweet Potato Vine, features nearly black, heart-shaped foliage on neatly mounding plants that spread to about 2'x3" wide. Its tidy ???
