# IS SUN RUN SOLAR A SCAM COMPANY

Even the biggest solar companies can disappear (Sunrun bought out the then-second-largest solar company, Vivint, in 2020), but some argue that larger companies stand a better chance of being there

Is SunRun Solar Company a Scam? My family was just visited by a woman trying to get us to allow their company (SunRun) to install solar panels on our house. Everything she said sounded so good to be true 36% savings on electricity made by the panels, free installation, insurance, replacement, and various other things for 20 years.

The current solar companies (without naming names) that advertise only use one brand and if that solar panel company goes out of business, the home owner is stuck! Many of these solar companies have sales people who scam the homeowner by saying the panels will save energy. Wrong! Only if you have an all electric house would that save "energy".
