

VariWarm Prime has a product energy rating of up to A+++, significantly saving the running costs for users. Full inverter air source heat pump is a kind of green energy saving R23 refrigerant, and the use of first-class components and DC inverter technology advanced products.

Profile: Foshan Uwotec New Energy Co., Ltd. is a manufacturer of heat pumps. Titanium products are widely used in the field of medical and edible utensils. The titanium we use has a purity of more than 99.8% and does not contain any impurities such as heavy metals or chemical coatings.

UWO is a professional commercial and home heat pump manufacturer focusing on heat pump technology for over 18 years. Founded by an expert team engaging in the heat pump industry, UWO has established national-class labs, sophisticated assembly lines and advanced equipment for the development, quality control and production of heat pump products.

FOSHAN UWOTEC NEW ENERGY CO., LTD. Full inverter air source heat pump is a kind of green energy saving R23 refrigerant, and the use of first-class components and DC inverter technology advanced products. It is an efficient and Read more > Update October 25, 2023.

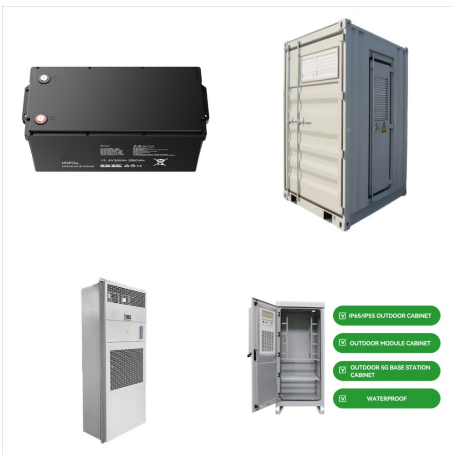

Quality Ice Bath Chiller, Machine, Cooling Units For Ice Bath, Chinese manufacturer - find quality Chiller, Heat Exchange Equipment & Chiller from FOSHAN UWOTEC NEW ENERGY CO.,LTD of China Suppliers - 169391811.

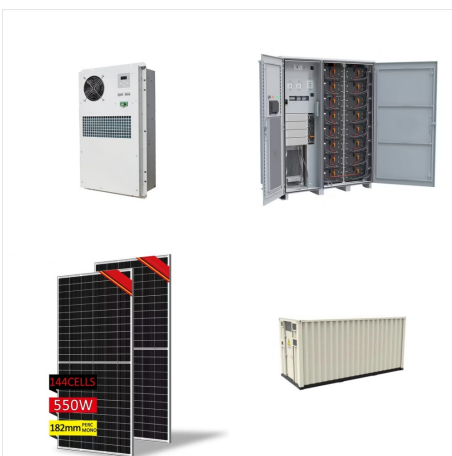

FOSHAN UWOTEC NEW ENERGY CO.,LTD; 1st Floor, 1# Wuzhuang South Road,Hecun,Lishui Town,Nanhai,Foshan Guangdong Province. 528244; 86-757-8551 6260-Eva Huang (sales manager) 86-13433162007; Feature Products. Conventional Heat Pump, Top Discharge, 45kW. Air-sourced Heat Pump 65kW.

Maximum COP and minimum noise can be achieved by precisely adjusting . the speed of both compressor and fan motor. The real-time calculation and adjustment of power output can be realized based on actual demands. By this way, the control system becomes more intelligent . and the advantage of inverter technology has been brought into full play.

Sales representative #290 # UWO heat pump manufacturer ? UWO is an outstanding and concentrative heat pump manufacturer in China. It was founded by a professional team with over 18 years of experience for design, development and production of heat pump for various applications. Up to now, we have grow in the industry park area of 56000???,with 300+ ???
