Jiangxi Risun solar Energy Co.,Ltd(Risun) was
established in Jan,2008, is a high-tech PV enterprise
engaged in crystalline silicon solar cells, solar
panels, photovoltaic systems, PV applications
products & PV power plants, one-stop for research,
development, production, sales. Risun is one of the
key enterprises of Jiangxi Province, rewarded

Risen Energy Group. As a leading global new
energy enterprise, Risen Energy leads the global
energy revolution with solar cells, solar modules,
and photovoltaic power stations, etc., provides new
energy green solutions and integrated services
worldwide, and assists customers in achieving their
"low-carbon" or "zero-carbon" goals through our
products, thereby propelling ???
