Lumcloon Energy Limited was set up on Tuesday the 4th of November 2008. Their current partial address is Offaly, and the company status is Normal. The company's current directors have been the director of 35 other Irish companies between them; 4 of which are now closed. Lumcloon Energy Limited has 2 shareholders.

This stored energy can be harnessed to mitigate frequency variations and enhance grid stability. Furthermore, the Battery Energy Storage System is equipped to store surplus renewable energy and release it as needed. This dual technology approach aims to enhance the dependability of renewable energy sources.
