

Solar Panels. Case Study: a 50kWp solar PV array in challenging conditions using krinner ground screws. Background. The krinner ground screws were used to install a 50kWp solar PV array in challenging conditions. Client: Microgeneration for Robin Hanbury-Tenison; Partner: JPCS; Location: Cabilla Manor, Bodmin; Date: 16th August 2011 ??? 19th

Our company's success story begins with the invention of Krinner Christmas tree stand with single cable technology. In 1990, after patenting his technology, inventor Klaus Krinner founded KRINNER GmbH in Strasskirchen, Lower Bavaria. Today Ground screws are the core component of Krinner solar system solutions. ???Innovation is our hobby

The U-series ground screws have been specially designed for all regularly-dimensioned timber beams. They are perfect for the simple and fast mounting of horizontal and vertical timber beams, for example during carport and wooden ???
