

Swire Energy Services Strengthens Aviation Division "At Swire Energy Services, we are dedicated to serving our customers to the highest standards within the energy sector. This dedication goes for both craftsmanship and the safety measures implemented when executing projects. We are always looking to grow our team by bringing in the most

I joined Swire Energy Services in January 2007. Originally joining the the test-department as an operator, and my tasks were NDT-testing, preparation of offshore containers, baskets and tanks. As one of few girls, I started "on the floor", my daily workplace was among and around containers. During the 6 years I worked for the Test
