No one enjoys the noise of a machine that is constantly buzzing. Our range of scrubber dryers is designed to keep noise at an absolute minimum, allowing you to clean in noise-sensitive areas, even during the daytime if required. Some of our floor scrubber dryers are equipped with SilentTech TM, a technology designed to reduce the noise further.

The outlook for Laos" power sector remains strong, boosted by a well-diversified project pipeline which includes coal, hydro and renewables. The sector will receive a significant boost with the planned coming online of the 1,800MW Phonesack coal-fired power plant in 2025, which is intended to provide baseload capacity. However, the main driving force in the country's power ???
