

Stratasys has entered into definitive agreements to acquire two privately-held companies, Solid Concepts and Harvest Technologies. Solid Concepts is the largest independent additive manufacturing service bureau in North America and a partner to RedEye, Stratasys' existing digital manufacturing service business.

At Legacy Concepts, our team members are our strongest asset. We hire individuals that have motivation, passion and the ambition to make a difference. Individuals that generally excel in our company are hard working, motivated, entrepreneurial minded individuals that have the ability to think outside the box and do not need to be

Legacy Concepts solely promotes from within. We feel that the best leaders understand the importance of leading from the front. Through this model, Legacy Concepts has proven that it is integral to our continued growth and success. We are also strong believers in not micromanaging, cubicles, door-to-door sales, or negativity.
