

Who is legacy solar?

Join hands with Legacy Solar, the paradigm of solar energy companies in Illinois, and become a part of the sustainable energy revolution. Secure your energy future, eliminate uncertainty from utility price hikes, and contribute to a cleaner, greener, and better Illinois. Industry-leading solar for your home or business.

Why is LGCY Power a top rated solar power company?

It's not an accident that LGCY Power is one of the top-rated solar power company in the U.S., with thousands of ecstatic customers who now enjoy lower energy bills. In fact, establishing the LGCY Power difference was part of our plan from the very beginning, as it reflects our values, leadership, and dictates everything else we do.

Does LGCY Power make its own solar equipment?

As a solar installer, LGCY Power doesn't manufacture its own solar equipment. Instead, the company offers equipment from some of the following well-known solar brands: LG, SunPower, and Trina. While LGCY Power offers high-quality equipment, it also focuses on providing a high-quality and seamless installation process.

What is a solar lease & PPA?

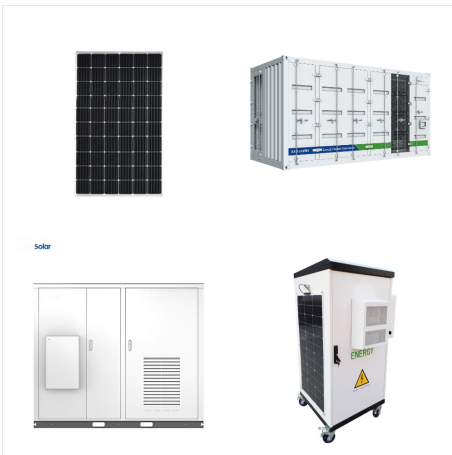

Solar Lease -- An option to lease your solar equipment directly from the solar panel manufacturer for no money down. Solar PPA -- An arrangement between you and the solar panel manufacturer that allows you to pay only for the power you produce; there are no upfront costs and you aren't paying for equipment.

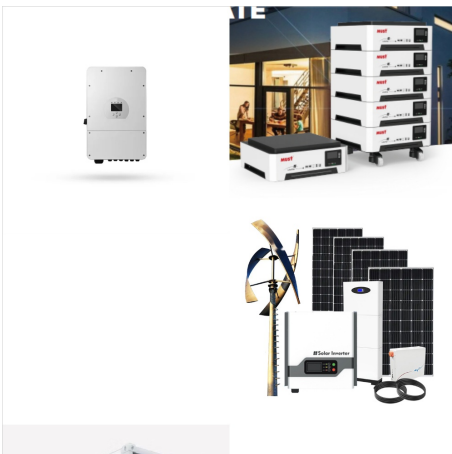

Legacy Solar, established in 2002, has been an active participant in the solar industry, providing services across 1 states.
