Lethal Company Enhancer still works. Its what I use in solo still for scrapkeep and day length. Still think the game should have a solo-mode. Solo's fun and tense, but the basegame isn't balanced in the way for it to deem it as fun as it could be. Oh good, I don't have use for the mod as I don't play Lethal solo so I was wondering if it

This is the recommended way and it makes it very easy to play in modded lobbies with friends.

Current Features
Scrap Protection: Scrap can be optionally protected in the event your party wipes.
Start with suits unlocked: Spawns the Green and Hazard suits at game start. (Still have to pay for the PJ suit)
Always Show Terminal: keeps the ship terminal from closing on exit. Good for watching the output from "view monitor"
Random Company Prices: by default ???

I'm in a similar boat and have created a profile in R2 (mod manager) that'll have mods that make the game actually playable singleplayer. I don't have all the mods yet, but here are some fixes I can think of that would make it easier to play the game singleplayer: As the person above me suggested, minimap and buyable shotgun.
